

BIOGRAPHIES

Tatjana PUHAN

Managing Director,
Deputy Chief Investment Officer

Dr. Puhan joins TOBAM from Swiss Life Asset Managers where she was Head of Equity and Asset Allocation for Third Party Asset Management. In this role, she was responsible for a number of the company's flagship strategies, most notably its investment solutions utilising systematic and proprietary quantitative approaches, as well as contributing to Swiss Life Asset Managers' asset allocation and equity research initiatives. Dr. Puhan has more than 15 years' investment experience, worked at a number of leading asset management and private banking businesses while also bringing a strong academic and research background. Dr. Puhan holds a Master's degree in Finance and Business Administration from the University of Hamburg, and gained her Ph.D. in Finance from the Swiss Financial Institute at the University of Zurich, with research fellow appointments at the University of Zurich, Kellogg Business School (Northwestern University) and the University of Hamburg. She is a lecturer in finance at the University of Mannheim and an associated researcher of the Hamburg Financial Research Center.

Axel CABROL

Managing Director,
Head of Fixed Income

Mr. Cabrol joined TOBAM in June 2016 as a credit portfolio manager from Butler Investment Advisory where he co-managed the WB Opportunities Fund, a long-short credit fund invested in European corporate High Yield bonds. Prior to that, he spent 2 years at Barep AM, managing the Barep Global Credit Fund in the same 4 portfolio managers team. From 2003 to 2005, he traded European Government bonds at Caisse des Depots (CDC) and from 2005 IG bonds for one year. Mr. Cabrol graduated in 1999 from ENSAE (leading French Engineering School) in Statistics, Actuarial studies, Finance, and Artificial Intelligence and has a post-graduate degree in Statistics (with high distinction) from Université Pierre et Marie Curie, Paris VI.

Thierry MICHEL

Executive Director,
Research & Portfolio Manager

Mr. Michel joined TOBAM in January 2017 as a Research & Portfolio Manager. Previously, Mr. Michel spent 8 years with Lombard Odier IM, as quantitative portfolio manager for an asset allocation fund. Specializing in portfolio construction, Thierry Michel had previously held related positions at Natixis AM and before that at ABN Amro, in their fund of funds branch Asset Allocation Advisors. Before, Thierry Michel worked as quantitative analyst at the Autorité des Marchés Financiers, in the enforcement division, after starting as economist in the French Ministry of Finance. Thierry Michel graduated from Université Panthéon Sorbonne in 1991.
