This document is for information purposes and does not constitute advice or a recommendation to enter into any transaction or an offer or an agreement, or a solicitation of an offer or an agreement, to enter into any transaction, nor shall it or the fact of its distribution form the basis of, or be relied on in connection with, any contract for the same. Before entering into any transaction, you should consider the suitability of the transaction to your particular circumstances and independently review (with your professional advisers as necessary) the specific financial risks as well as the legal, regulatory, credit, tax and accounting consequences of entering into such transaction.

The value and the income produced by a strategy may be adversely affected by exchange rates, interest rates, or other factors so that an investor may get back less than he or she invested. Past performance is not indicative of future results.

TOBAM has continued and will continue its research efforts, amending the investment process from time to time accordingly. TOBAM reserves the right of revision or change without notice, of the universe, data, models, and strategy.
